Technical Leadership Abie Award Nomination Form

Use this document to prepare a submission form to self-nominate or nominate someone for the Technical Leadership Abie Award. Please visit the Abie Award webpage for more information about the Abie Awards and the Technical Leadership nomination criteria.

For the nomination to be considered, please complete the nomination by 8 PM (EST) on May 25, 2023.

The Technical Leadership Abie Award is our most prestigious award and celebrates a woman or non-binary technologist who led or developed a product, process, or innovation that made a notable impact on business or society.

Nominees must work on projects that require deep technical knowledge and must demonstrate a commitment to increasing the representation of women and non-binary people in tech.

Nominees are executive and/or senior-level technologists who inspire the technology community through outstanding technological contributions and remain committed to increasing the representation of women and non-binary people in tech. Nominees are evaluated based on the following:

- **Contributions to technology**: The nominee has demonstrated leadership by undertaking sustained technical work that covers important new ground. Consider the breadth, depth, and sustained nature of their work as a technologist and leader.
- **Overall Impact**: The technical contributions of the nominee have strongly impacted their industry or the society.
- **Impact on Women and Non-Binary Technologists**: The nominee has deliberately acted to increase women and non-binary people’s impact, representation, and effectiveness in technology.
